

The gift of an adventure: Gift Certificate with *WILD GUYde Adventures*

1. Who might enjoy receiving the gift of adventure? Maybe:

- That special someone that you have been wanting to spend a day with, doing something out of the ordinary (crawling underground in the mud and the dark, and or hanging off a rock high above the valley),
- That guy who has been really hitting it hard at work and needs a "bro-day" with some good male friends,
- That student ready to celebrate a milestone with some friends -- a driver's license, graduation, or first job.

2. So print out the certificate below, as well as the [WGA Participant Agreement](#), the [Medical Form](#), and the [What to Bring list](#) (all from www.wildguyde.com). Place them in an envelope and decorate it attractively. Or put it all in a small box and cover with wrapping paper. Bows and ribbons are nice! You might also want to embellish the gift by adding a Powerbar®, a water bottle, or a headlamp. Present it with a grin.

3. When your gift recipient is ready to book a date, have them contact us at **(540) 433-1637** or **lester@wildguyde.com**. We'll set up activity plans with meet-up times and locations. You can send or bring payment along at that time.

4. Standard (website) prices apply; payment is cash or check, made out to WGA (sorry, no credit cards). Feel free to call (contact info above) if you have any questions.
